**TITLE 13: DEPARTMENT OF MOTOR VEHICLES****NOTICE IS HEREBY GIVEN**

The Department of Motor Vehicles (the department) proposes to amend Sections 345.02, 345.06, 345.21 and 345.22 in Chapter 1, Division 1, Article 4.7 of Title 13, California Code of Regulations, Schools for Traffic Violators.

**PUBLIC HEARING**

A public hearing regarding this proposed regulatory action is not scheduled. However, a public hearing will be held if any interested person or his or her duly authorized representative requests a public hearing to be held relevant to the proposed action by submitting a written request to the contact person identified in this notice no later than 5:00 P.M., fifteen (15) days prior to the close of the written comment period.

**DEADLINE FOR WRITTEN COMMENTS**

Any interested person or his or her duly authorized representative may submit written comments relevant to the proposed regulations to the contact person identified in this notice. All written comments must be received at the department no later than 5:00 P.M., April 2, 2007, the final day of the written comment period, in order for them to be considered by the department before it adopts the proposed regulation.

**AUTHORITY AND REFERENCE**

The department proposes to adopt this regulation under the authority granted by section 1651, 1652, 1665, 11202(a)(2) and 11219 of the Vehicle Code, and section 17520, Family Code in order to implement, interpret or make specific sections 626, 626.2, 626.4, 626.6, 626.8, 1665, 1668(b), 1671, 11200, 11202, 11202.5, 11204, 11206, 11206.5, 11207, 11208, 11210, 11211, and 11213 Vehicle Code; and section 17520, Family Code.

**INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW**

Vehicle Code sections 11200, 11202.5 and 11206 authorize the department to license and regulate traffic violator schools, instructors and operators. Vehicle Code section 1652 authorizes the department to prescribe forms deemed necessary for the purposes of implementing the Vehicle Code. Existing law prohibits the operation of a traffic violator school without licensure. Traffic violator school instructors are prohibited from acting as a traffic violator school instructor, or from providing instruction to traffic violators without a current valid instructor's license. A person is prohibited from acting as a traffic violator school operator without a valid license issued by the department.

The proposed amendments to Sections 345.02, 345.06, 345.21 and 345.22 will update two forms currently used in the Traffic Violator School Program, the Application for Instructor's License Traffic Violator School (TVS), OL 710 (Rev 8/2005), and the Application for Change: TVS Operator License, OL 755 (Rev 4/93), to reflect changes in revisions dates and changes to the forms.

## **FISCAL IMPACT STATEMENT**

- Cost or Savings To Any State Agency: None.
- Other Non-Discretionary Cost or Savings to Local Agencies: None.
- Costs or Savings in Federal Funding to the State: None.
- Cost Impact on Representative Private Persons or Businesses: The department is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action. This regulatory action changes two forms.
- Effect on Housing Costs: None.

## **DETERMINATIONS**

The department has made the following initial determinations concerning the proposed regulatory action:

- The proposed regulatory action will not have a significant statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states.
- The adoption of this regulation is not expected to create or eliminate jobs or businesses in the state of California or reduce or expand businesses currently doing business in the state of California.
- The proposed regulatory action will not impose a mandate on local agencies or school districts, or a mandate that requires reimbursement pursuant to part 7 (commencing with Section 17500) of Division 4 of the Government Code.
- The proposed regulatory action may affect small businesses and entities with little or no impact. Traffic violator school instructors would have a new application form to use when applying for an original license. Traffic violator school operators will report an address change on a department form. Existing licensees would not be impacted.

## **PUBLIC DISCUSSIONS OF PROPOSED REGULATIONS**

A pre-notice workshop, pursuant to Government Code section 11346.45, is not required because the issues addressed in the proposal are not so complex or large in number that they cannot easily be reviewed during the comment period.

## **ALTERNATIVES CONSIDERED**

The department must determine that no reasonable alternative considered by the department or that has otherwise been identified and brought to the attention of the department would be more effective in carrying out the purpose for which the action is proposed, or would be as effective and less burdensome to affected private persons than the proposed action.
