**Re:** SB 880 (Corbett): Common Interest Developments: Vehicle Charging Stations  
As amended January 23<sup>rd</sup>, 2012

### **PIFC Position: Support**

The Personal Insurance Federation of California, representing six of the nation's largest insurance companies (State Farm, Farmers, Liberty Mutual Group, Progressive, Allstate and Mercury) who collectively write a majority of the personal line auto and home insurance in California **supports SB 880 by Senator Corbett.**

SB 880 provides a technical fix to SB 209 (Corbett – 2011) and would expand access for consumers who wish to purchase and install electric vehicle charging stations. SB 880 contains several important amendments, including one that will ensure consumers are able to secure the liability insurance coverage required by state law.

For the above reasons, **PIFC supports SB 880** and urges your **“aye”** vote. If you have any questions regarding PIFC's position please contact Manolo P. Platin at (916) 442- 6646.
